For more information  
on application, see our  
[Guide & Instructions](#).

## WHAT IS STRAIGHT MATCH?

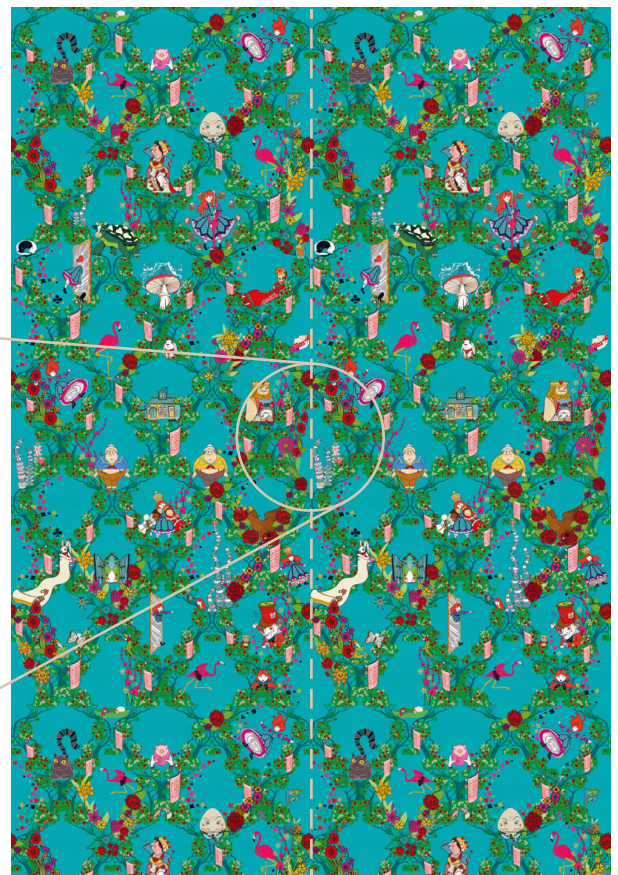

A Straight Match wallpaper is where  
the pattern match repeats horizontally  
and each panel aligns in the same place.

## WHAT IS MULTI DROP?

A Multi Drop wallpaper is where the  
design matches at a specific  
measurement down the pattern repeat  
length.

## HOW TO ALIGN THIS DESIGN

When hanging this wallpaper, look out for the red rose illustrations at the edges of the design to align the next panel accurately. For a Straight Match, these elements will align horizontally across every panel (below). For a Multi Drop, these elements can be aligned one-third down the pattern repeat at 39cm.
